There will be one warning for children driving golf carts on the course in a reckless manner. There should only be two children in a cart at one time, unless a parent is in the cart. Unsupervised children under the age of 18 will be the responsibility of the parents. These rules have worked well in the past and kept dangerous driving down. By law minors under the age of 18 cannot drive a golf cart on the streets. We have cart shed space available for rent.

Thanks to everyone and have a great season in 2017, at Southeast Iowa's Largest Sand Green Golf Course!!!
