There will be one warning for children driving golf carts on the course in a reckless manner. There should only be two children in a cart at one time, unless a parent is in the cart. No exceptions. These rules have worked well in the past and kept dangerous driving down. By law minors under the age of 18 cannot drive a golf cart on the streets. We have cart shed space available for rent.

**SPRING CLEANUP IS SATURDAY, APRIL 18<sup>TH</sup> @ 1:00.** Please plan to attend to help inside and out.

Thanks to everyone and have a great season in 2009, at Southeast Iowa's Largest Sand Green Golf Course!!!
